

PES Panthers Newsletter

Week of September 5th - 8th

News from Mrs. White

Hello PES Families,

We have had a fantastic first week of school. I would like to share highlights from our first week of school, where the excitement for learning and enthusiasm of our students and staff have truly set the tone for an exceptional year ahead.

****Celebrating Early Successes****

In just a short span of time, we've witnessed incredible dedication and engagement from our students. From thought-provoking classroom discussions to creative projects that showcase their unique talents, our young learners are already making their mark.

****Building Connections****

Our focus on fostering positive relationships continues to be at the forefront of our efforts. Throughout the week, our students and staff have been participating in team-building activities and collaborative projects that emphasize the importance of working together and being kind to one another.

****Exploring Curiosity****

Curiosity is the spark that ignites a love for learning. Our teachers have been guiding students to ask questions, explore new topics, and delve into subjects that peek their curiosity. Our goal is to encourage our students to be lifelong learners by finding their own passions and interests.

****Staying Connected****

Communication is key, and we want to ensure you are well-informed about what's happening at PES. Remember, our doors are always open, and we encourage you to connect with us whenever needed.

I want to express my gratitude for your ongoing support and partnership. It's your involvement that truly makes PES a vibrant and thriving community of learners. I would also like to thank you for your patience with dismissal, our number one goal is to ensure safety, now that we have our routines down, dismissal will move more quickly.

I would like to extend my deep appreciation to our remarkable staff. Their unwavering commitment to making PES a nurturing environment for students to learn and thrive is appreciated. I am grateful to be part of a team that wholeheartedly believes in each student and consistently goes above and beyond to ensure their success. Your dedication is inspiring.

Have a wonderful Labor Day weekend,
Kristen M. White
Proud Principal of PES
