

January 14, 2013

Dear Pittsfield Families:

This past summer, the Pittsfield School District became a Google Apps for Education School. Along with the E mail change, the school district is now using the collaborative tools associated with Google docs and calendars. We would give students access to the collaborative tools as well as the ability to store digital work for their e-portfolio.

K-6 Students would have a Google account. Passwords would be shared with appropriate staff members. This would be a place where photos & documents could be easily uploaded by mobile devices (such as iPads) to a student's Google Account. These files could then be part of a student's portfolio so teachers and students can add content to the Google Drive. Students would have access to Google docs, drive, calendar etc.

7-8 Students would have a Google Account with their own password. Students would have a google email account. This account would only allow email to flow between addresses within the pittsfieldnhschools.org domain. Students would not be able to send/receive outside mail. Students would have access to the Google drive, calendar, docs and email only to staff and students.

9-12 Students would have a Google Account with their login and password. Students would have a Google email account with access to email within and outside of the pittsfieldnhschools.org domain. Students would have access to the Google drive, calendar, docs, email etc.

If you have any questions please contact Carin Foss by email at ckilar@pittsfieldnhschools.org or at 435-6701.

Sincerely,
Carin Foss
Technology Integrator

(Please return the lower portion of the permission slip to your student's advisor)

Pittsfield School District Google Account Permission Slip:

I, _____ give my student _____
(Parent/Guardian Name) (Student Name)

permission to have a Google account in the pittsfieldnhschools.org domain. I understand that this is a School District account and it will be monitored by the Pittsfield School District. Students will be given additional privileges as they progress through the Pittsfield School District.

_____ Date: _____
(Parent/Guardian Signature)
