- What experiences had a positive/negative impact on you?
- What success or achievement are you proudest of?
- What personal event, peer, teacher, or other member of the community had an impact on you?
- How, if at all, did your personal and/or post graduate goals change or evolve over time?
- What do you wish you knew at the beginning of seventh or ninth grade?
- What, if anything, would you have done differently?
- What fears and/or excitement do you have about graduating?
