

THE FOSS FAMILY PITTSFIELD TOWN SCHOLARSHIP TRUST

2024 APPLICATION

THE FOSS FAMILY

The Foss Family Pittsfield Town Scholarship Trust was established by Richard and Lois Foss in 2007 for the benefit of Pittsfield Middle High School graduates who wish to further their education beyond high school. This unique Fund offers scholarship awards to both current seniors and graduates of Pittsfield Middle High School.

The late Richard Foss was reared and educated in the town of Pittsfield. He fondly remembered the Pittsfield of his youth and the civic pride that he and his neighbors felt to be a part of a vigorous, vital, and industrious community in which neighbors looked out for each other. Richard credited the excellent education he received in the Pittsfield public school system with the development of values and work ethic which enabled him to enjoy great success in the construction industry in New Hampshire.

Richard and Lois grew concerned about the gradual decline in Pittsfield's fortunes in the years since their youth, particularly over the last two decades.

Richard believed that to reverse this trend, and to recapture a strong sense of community and civic

pride, the Town must invest in its "human capital," particularly the post-secondary education of its young people who might feel this same spirit and potentially return from college or trade school to settle in Pittsfield and contribute to its rebirth and continued prosperity.

The Foss Family Pittsfield Town Scholarship Trust was established to support the Pittsfield community with the important public good of providing a strong, meaningful education for its residents. Beginning with the Class of 2008, this incredible Fund has awarded a staggering **362** scholarships in the amount of **\$627,500**. These awards have allowed Pittsfield graduates to attend over sixty-six different colleges, universities and trade schools across seventeen states. Although Richard Foss passed away in August 2016 and his wife Lois in May 2022, their belief in Pittsfield and particularly Pittsfield's young people lives on. Their legacy of generosity, community spirit, and belief in the power of education to enhance the lives of young people and communities continues through this trust.

ELIGIBLE RECIPIENTS

All PMHS graduates (current seniors and alumni) extending their education beyond high school may apply for a scholarship to pursue a two-year or four-year degree or technical/trade school education. Students may continue to apply for funding for up to four years as long as they continue to be a New Hampshire resident attending an accredited post-secondary institution. Under consideration when awarding scholarships are financial need, academic achievement, leadership ability, and community involvement. It is intended that awards from the Trust will aid those who are already applying to schools with their financial package and to motivate those who may not have contemplated their ability to apply for further education because of financial restraints to do so. It is important that awardees will seek other sources of financial aid, including work study programs, so that they might co-invest in their education as opposed to relying exclusively on scholarship aid and other grants that might be available. **Applications are due Wednesday, May 1st, 2024 by 3pm to Mrs. Muzzey in the Guidance Department at Pittsfield Middle High School.**

AWARDEE OBLIGATIONS & AWARD DISBURSEMENT

As a further condition to the granting of scholarship aid, each awardee will be asked to sign a non-binding pledge that the awardee will make some effort after graduation to contribute to the Trust to reflect the awardees' gratitude for the scholarship award. Award payments are available to students at the beginning of the fall semester upon receipt of enrollment verification. Checks are made payable to the institution they will be attending. Any change in educational plans will be reviewed and may result in an adjustment to the award. Awardees must notify the Guidance Department of changes in educational standing prior to the disbursement of scholarship funds.
